RE: Notice of Intent to Award, ITB No. HRRSA-2017-03, Enhanced Biosolids Reuse and Reduction Project

Dear Mr. Clarke:

I am pleased to inform you that the Harrisonburg-Rockingham Regional Sewer Authority (HRRSA) intends to award MEB General Contractors, Inc. (MEB) the construction contract for the Enhanced Biosolids Reuse and Reduction Project located at HRRSA's North River WWTF. The issuance of this Notice is based upon MEB's sealed bid received on September 26, 2017, along with the signed document titled "Revised Scope to Bidding Documents", dated October 16, 2017, which is enclosed for reference. Official award is expected to occur no later than October 25, 2017 and will be issued using EJCDC form C-510.

This Notice of Intent to Award is subject to execution of a written contract. As such, this Notice does not constitute the formation of a contract between MEB and HRRSA. This letter is merely stating HRRSA's intent to award. HRRSA reserves the right to cancel this Notice of Intent to Award at any time prior to the execution of a written contract.

Sincerely,

A handwritten signature in blue ink that reads "Sharon G. Foley".
